

ONLINE COMMITMENT SYSTEM (OCS) PARENT INSTRUCTIONS

The Online Commitment System (OCS) is used by the North Texas Region to ensure the offer and acceptance by both the Club & Athlete. This system provides real-time status of athletes so that clubs can assure they are not in violation of the Offer and Acceptance Policy.

We ask that all parents with a player trying out for Vision Volleyball Club take a moment to confirm their athlete is listed in the OCS System. All USAV North Texas Region Players from the previous years *should* be in the system. If your player is not listed, please take a moment to get her added to allow the Club to send an official offer on the Acceptance Date should the Club choose to make one.

Instructions to Check or Add an Athlete:

- Athlete/Family should visit the Public OCS site <https://ntr.vstarvolleyball.com/ocs/index.php>
- Select the 'Verify E-mail' link to assure you have an email confirmed to work with OCS.
- If the Athlete played last year, they should be in the system. You can make sure by selecting 'Add My Player'. Submit Last Name and DOB to confirm the Athlete is in the System.
- If the player is NOT in the OCS, you can continue to add the Athlete.
