TEAM SPOTLIGHT: 12 EXV BLACK

12 EXV Black worked hard over the summer playing in a summer league; growing, building team bonds, and learning new systems. This group is ready to take on the season together!

COACHES SPOTLIGHT- COACH HEATHER

What core value do you strive to instill in every athlete?

"Discipline leads to habits, habits lead to consistency, consistency leads to growth. Discipline and Consistency"

What might surprise players about you off the court?

I am an introvert by nature, I prefer small groups and little small talk."

Favorite Coaching Experience?

"After more than 20 years, it's hard to choose just one moment. But the most memorable for me is when former athletes reach out after their playing careers and share the impact their time with me had on them. Those conversations remind me that, through the highs and lows, watching athletes grow into incredible young women is truly #WhyICoach."
